

DRUG FREE SAFETY PROGRAM

ANNUAL TRAINING FOR SUPERVISORS AND EMPLOYEES

The Ohio Bureau of Workers Compensation (BWC) Drug Free Safety Program requires that your Employees receive 1 hour of Employee Refresher Training and that your Supervisors receive an additional 1 hour of Supervisor Refresher Training each year the program is in effect.

The session will be based around the Ohio BWC Drug Free Safety Program standard policy. We recommend that your employees come to this session with a copy of their specific Company or Local Union policy in hand, so that they have the opportunity to ask questions on items that might be unique to their policy.

One of the primary goals of WOCNECA is to strive to bring the construction industry quality educational programming.
